We are a full service **design studio** with extensive experience in Graphic Design, Web Development and E-Marketing.

Our job is to spark your business.

We could easily show you a long list of our detailed services or provide you with a ton of fluff such as "we are the leaders in..." or impress you with technical jargon. But, as a business owner you don't have time to waste. You don't need to know all the details of how your engine works, as long as it works properly. **At 28 Sparks, we get things done - and that's the bottom line!**

Our website is simple to navigate and to the point. Just click on the type of service you are looking for and let us show you how easy it is to light that spark under your business.

28: Considered to be a "perfect number" in the world of mathematics.

Spark: Anything that activates or stimulates; inspiration or catalyst.

We'll find the **perfect spark** to ignite your business.

Whether it's creating a complete branding system or developing a custom online application, we'll provide you with the right solution for your project.
